BOOK BINGO

HOW IT WORKS

2025 Book Bingo is modeled off of the wonderful [Seattle Public Library's Summer Book Bingo!](#)

Between now and December 31, 2025, track your reading on the bingo card. One book can only be used to meet one category. For example, you could use a book of poems about birds for EITHER "nature poetry" or "feathered friends" but not both. You will receive a prize for both 1 bingo and blackout, but not more than 1 bingo. Drop off your card or take a photo and send it to megan@bi-landtrust.org for a prize. You will need to collect your prize at 147 Finch Place SW, Suite #3, Bainbridge Island, WA 98110

Bingo: When you read a book that fits the category, write its title in the box. You may get 5 in a row up & down, left to right, or diagonally. The Free square counts towards your 5.

Blackout: When you read a book that fits the category, write its title in the box. When you fill out the whole card (24 titles + the free square), you have blackout.
